Announcing the return of **Raspberry Chocolate** and **Chocolate Salted Caramel** Dessert Wines. Introducing a new friend, **Toasted Marshmallow**. These special kits will be available only for a short time only by special order. The **order deadline is 6:00, Monday, July 24, 2017** for delivery in September. Every year the Raspberry Chocolate Dessert Wine sells out and requests continue for months. The same was true for the inaugural year of the Chocolate Salted Caramel. The Toasted Marshmallow will undoubtedly be just as popular.

Winexpert has recently transitioned the dessert wine kits formerly port wine kits to a new brand, Apres Limited Release Dessert Wines. Along with the new brand they have also redesigned the packaging. What hasn't changed is the same premium quality product, and user friendly instructions that you've come to expect from Winexpert. Dessert Wine Kits produce 3 US gallons in the Speciale dessert wine format and are made to full-strength. No water additions will be necessary. The same equipment will be required as with any Speciale product, mainly a primary fermentation bucket and a three gallon carboy. Labels are included.

This is the flavor you've come to love and it remains unchanged in the new Apres brand. Excellent within three months, this wine will age gorgeously.

#### **Chocolate Salted Caramel**

Back by popular demand, Chocolate Salted Caramel offers the ultimate in sweet and salty with the velvety decadence of chocolate beautifully blended with rich and creamy salted caramel.

#### **Toasted Marshmallow.**

Treat yourself to the new rich and smokey Toasted Marshmallow with smooth vanilla and decadent caramelized notes.
