

CELEBRATING 30 YEARS OF LE!

New this year, we'll be releasing one wine per month instead of two wines in January. Wines will now be released in December 2019, January 2020, February 2020, March 2020, and April 2020.

Terremoto Tempranillo, Spain (Available December 2019)

The Tempranillo grape's thick skin gives the wine a deep ruby color and moderate tannins. Medium-bodied and savory, Terremoto Tempranillo has flavors of cherry, dried fig and cedar, with hints of leather and spices. Whether you're celebrating a big occasion like your 30th anniversary, complete with fireworks, or just toasting the end of a workday, this wine is the perfect accompaniment. Pair with braised meats, chorizo sausage or roasted eggplant.

Dry | Med. Body | Med. Oak | 13.5% ABV* **Price \$163.95**

Pecorino Pinot Grigio, Italy (Available January 2020)

Pinot Grigio was originally established as Pinot Gris in Burgundy and although most famous in Alsace, France, made its way to Switzerland in the 1300s and eventually to Northern Italy where Pinot Grigio was born. Today it is Italy's most popular grape. Pecorino has a bit of a different history; thought to be extinct in the mid-20th century, it was rediscovered in the 1980s by a local producer who then took cuttings and propagated them resulting in this grape's resurgence. Blending Pinot Grigio, the most popular Italian white wine grape, with the lesser-known Pecorino grape results in a delicate white wine with high acidity, lemon, lime and honeysuckle flavors, and an elegant floral aroma. Pair with steamed mussels, seafood risotto and vegetarian spring rolls.

Dry | Med. Body | No Oak | 12.5% ABV* **Price \$157.95**

Pacific Quartet Red, Pacific Rim

(Available February 2020)

For our 30th anniversary, we've decided to put a spin on one of Winexpert's most popular Limited Releases ever, introducing Pacific Quartet Red! We've selected the most revered red varietals from the same regions that are featured in Pacific Quartet. Blending California Cab, Chilean Malbec, Australian Shiraz and Washington Merlot created the most delectable, full-bodied wine. The combination results in a well-structured, tannic wine with a bouquet of blackberry and

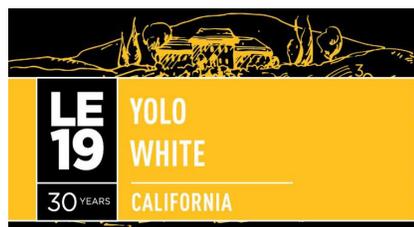

cherry. The palate offers rich berry overtones with hints of currant and dark chocolate and a toasty oak finish. Pair with rich meat and bean stews, roasted leg of lamb with rosemary or aged cheddar.

Dry | Med. - Full Body | Med. Oak | 13.5% ABV* **Price \$163.95**

Yolo White, California

(Available March 2020)

Fruit-forward and slightly off-dry, the palate on this wine is inviting and well-balanced. The Chardonnay contributes vibrant green apple and melon flavors. The floral aromatics come from the Muscat, and the Chenin Blanc completes the wine with citrus flavors and high acidity. Pair with mild curry dishes, baked ham, Brie and Camembert.

Off-dry | Med. Body | No Oak | 13% ABV* **Price \$157.95**

Cape Blend w/Skins, South Africa

(Available April 2020)

This exciting combination of Shiraz, Cabernet Sauvignon, Pinotage and Grenache creates a wine that is truly outstanding and worthy of being a part of the 30th anniversary of LE! The dark berry flavors from the Cabernet Sauvignon balance nicely with the forward spiciness from the Shiraz. Pinotage, which is a grape varietal that is unique to South Africa, provides strong

tannins and smoky, earthy characteristics while the Grenache contributes aromas of leather and licorice. Together these elements offer a complex, full-bodied wine that pairs well with roasted red meats seasoned with marinades or savory herbs and aged hard cheeses.

Dry | Full Body | Med. - Heavy Oak | 14% ABV* **Price \$188.95**

Pre-orders will be accepted starting today through Friday, November 15th at 3:00 pm CST.
